

Hiring, Background Checks, Quality Assurance Documentation

Registered Nurses, LPNs, CMTs, CNAs and personal assistant staffs are chosen as associates after completing a careful and comprehensive screening process. The successful candidate will have the following documents on file for inspection:

- Employment Application
- Recent skills checklist
- Professional and Personal References
- Current nursing license for the state in which the nurse is to practice
- Professional and specialty certifications
- Currents BCLS, ACLS, PALS, and NRP certifications
- Documentation of U.S Citizenship, or lawful work permits, (as required by the United States Citizenship and Immigration Services)
- Documentation of Hepatitis B immunization, positive titer result, or sign waiver form
- Documentation of current negative PPD, or negative chest radiograph when applicable)
- Documentation of negative urine drug screen prior to placement
- Clear criminal background check
- All documents are authenticated, each associate's file is reviewed frequently to ensure all certifications and licenses are current and valid.

Why Choose KLI Nursing INC

KLI Nursing Services INC, strives to lead the industry in our region with our innovative Residential Service Agency and staffing Agency programs. Our team of Health care professionals continue to develop new options for Home care and supplemental staffing in, residential home, acute care facilities, long term care facilities, personal home care and private offices.

Studies show that facilities can actually save money by keeping their core staffing levels at a minimum, and using supplemental staffing only as their census rises. Select one of our associates to supplement your schedule for a 13 or 16 week contract.

We also offer a per diem staffing plan, with no minimum usage requirement. We have a vast array of options for supplemental staffing. Let us tailor one to fit your needs. Special rates are available for physician's offices and personal home care.

We want to be your #1 source for Home health care and supplemental staffing. Call us today and put our team to work.
